Curators in Conversation: James Fowler and Shannon Anderson

Over the last ten years, the 10X10 Photography Project shined a light on a vibrant and diverse queer community, thanks to the efforts of its founder and curator James Fowler.

For each iteration, the project featured 100 new portraits of LGBTQI arts and cultural figures in Canada as seen through the lenses of ten queer lens-based artists. Previously a staple of visual arts programming at the Gladstone Hotel during Pride Toronto celebrations, 10X10 was proudly hosted by the Art Gallery of Mississauga for its tenth and final

installment.

This year's exhibition included work by Thomas Brasch, Kim Fullerton, Ashley Iris Gill, Vince Ha, Kalmplex, Wade Muir, Public Studio, Jason Perreault, Joshua Rille, and John Rubino.

Last month James and AGM Curator Shannon Anderson sat down to discuss the intricacies and importance of 10X10 over the years.

Portrait Workshop with David Fulde

Participants joined iconic portrait photographer David Fulde, whose work was featured in the 2018 edition of 10X10: The Photography Project, for his workshop on how to take a great photographic portrait using accessible lighting equipment and your camera.

Featuring model Mango Lassi as the subject, David explored how to get the best portrait results with a combination of lighting and camera techniques.

Family Sunday Arts Workshop

Laughter rang out through the Art Gallery of Mississauga as families gathered to make art on Family Sundays this summer.

This new program, initiated in June 2022, provides time and space for families to get together and get creative. Funding has been generously provided by Charitable Gaming RAMA Bing.

Some of the projects to date include: sculpting figures from tin foil with

Nisreen Askar; making a small dish out of clay with Bhavna Bhatnagar; and most recently crafting a sparkly rainbow with paints and Q-tips with facilitator Farah Rehmani. Please join us in September to make bird masks with artist Carla Gonzalez-Casanova.

Summer in the Centre

Summer in the Centre has been a huge success, thanks to the hundreds of people who participated, as well as our amazing volunteers, co-op students and artist facilitators.

In Person Art Hive

Art Hive successfully transitioned to an in-person creative space for anyone to work on their own projects in the company of other artists.

Join Cynthia Morin select Wednesdays in person and online one Saturday per month.

Call for Volunteers

Did you know that a significant portion of the AGM's program funding comes from money raised by Charity Gaming and RAMA Meadowvale?

We are in need of volunteers 18+ to assist, sessions are 2 hours.

You can sign up here for days you are available.

Training will be provided.
