

Press Release

March 31, 2022

The Art Gallery of Mississauga (AGM) has been awarded grant funding from the Ontario Trillium Foundation – Resilient Communities Fund

The Art Gallery of Mississauga (AGM), its leadership team, and staff are excited to announce that the AGM has been awarded grant funding from the Ontario Trillium Foundation (OTF) – Resilient Communities Fund. The grant funds will be utilized to rebuild and reinvigorate the AGM following a difficult period of covid closures and restrictions. A strategic planning consultant will be hired to lead the AGM through a comprehensive planning and development process, review relevant policies and practices and assist with policy development. This effort will strengthen organizational governance and staff capacity. With the new strategic plan, the AGM aims to create meaningful, diverse and inclusive experiences for patrons through new approaches and initiatives.

The Executive Director is pleased to announce an exciting schedule of exhibitions and programming that continues to engage and connect with the vibrant community of Mississauga. We continue to offer a diverse calendar of programming with both in person and online workshops. The events calendar is located on the AGM homepage which includes our upcoming EID workshop and Art Hive: www.artgalleryofmississauga.ca. Beginning April 25th join us for the return of the CONTACT photography festival – *Viewfind(h)er* - showcasing female photographers from Mississauga, exhibiting throughout the months of May and June.
